From The Principal...

Dear Parents/Carers

The Rowville Primary School Open 2016 had perfect weather for tennis players, according to tournament director Sue Macdonald. Competitors did not need to worry about factors that would affect their game during the tournament as it was a “typical summer in Melbourne.” The Rowville Primary School Open wasbannereded by Rowville Primary’s top star player, Stuart Boyle.

Some of the best Aussie tennis players like Matt Nuthall, Lucinda Divitcos, Grace Kanci and Rachel Olson were also part of the star attraction. Meanwhile, other big draws included Anita Yon, Liam Jury, Trish Welti, Jonathon Males, Sam Peters, Alice Smith and Emily Biggins.

Our students enjoyed the lunchtime event that was held on the School’s tennis court on Monday to promote fun and fitness. The house captains were the ball kids and the other students formed cheer squads to support their favourite players.

School Councils play an important role in student success. They encourage a strong partnership between the school and the family and help parents become actively involved in the education of their children. School Councils help good schools become better. We are pleased more parents than there are vacancies have expressed interest to join the Rowville Primary School Council. As a result we are holding an election.

Voting opens on Friday 19th February and ballot papers will be distributed to all families on Thursday 18th February for the school council elections. Any parent or guardian of a student who attends the school is eligible to vote in the election. Votes can be mailed to the school or handed in at the office. Ballot papers must be received at the school office by 4.00pm on Friday 26th February. On Monday 29th February the ballot will be counted and the results will be announced.

We are very pleased by the community uptake of COMPASS. As well as keeping up with latest news, parents are now able to record student absences and to check their child’s attendance at school. Our office team are more than happy to assist families to log onto COMPASS.

At the Monday morning assembly I announced that I would be running a competition amongst students to promote the reading of the newsletter. I ask students who have read the newsletter to write their name and grade on a piece of paper with the name of their favourite tennis star who played in the 2016 Rowville Primary School Open. Please deliver to my office before assembly on Monday.

CURRICULUM DAY- STUDENT FREE DAY

This is advanced notice that the last day of term 1 - Thursday 24th March 2016 is a Curriculum Day and students do not attend school on this day.
On Wednesday 23rd March, Students finish school at 3.15pm
From The Assistant Principal...

At the beginning of each school year, I feel that it is important to include reminders in my first few newsletter articles about the different layers of support that are available to students and their families at school.

To support us in meeting students social, emotional, learning and behavioural development needs, we have access to a visiting Psychologist each week. I would like to take the opportunity to again welcome Jill Essler to our team. Jill is our visiting DET psychologist. If you feel that this support may be of benefit to your child, the first step would be to speak with your child’s teacher. If suitable, this support can be accessed by referral from the Assistant Principal.

We have an additional layer of counselling support available to our students through the OnPsych service, which will continue in 2016. This service is designed to connect children and families to supportive counselling. This service will assist students and parents to address a broad range of social and emotional needs that impact on success at school. OnPsych psychologists work primarily from an early intervention based model, working with students experiencing difficulties such as anxiety, social skill deficits, ASD, ADHD, emotion de-regulation, behavioural issues or more clinical-based diagnoses. OnPsych aims to provide a complimentary service to students with various mental health difficulties, educational and developmental difficulties as well as social and family difficulties. The benefit of this service is that it takes place at the school so that parents can more readily be involved in the process and teachers can benefit by having contact with the psychologist that is supporting their child. Also worth mentioning is there is no cost to families for this counselling service, as access is via a referral from your GP. We welcome our new OnPsych psychologist Eva Chan to our team. Further information about OnPsych and Parent information packs are available from the Assistant Principal.

School photos are fast approaching and are scheduled for Friday 4th March. A schedule will be published in the next edition of the newsletter in the lead up to the photo day. Still plenty of time to make sure that hair is cut and uniforms are pristine before a permanent reminder of the 2016 school year is taken. This year orders will be online, so payment envelopes will not be distributed. Please refer to the photo information sheets on pages 11 and 12 of this newsletter.

Our Rowville Primary School Open was held this week – If you read the newsletter from the front, I am sure that Ms Babich has already included a rundown of the highlights. I was positive that she would not have included any reference to her magical performance, so I thought it best to make sure it was included. I am not sure if she is about to use her racquet to defend herself or return a volley from Mr Nuthall, but the photo is proof nonetheless that she was an active participant. Mrs Welti was definitely the most valuable player on the court at the time.

Have a wonderful week ahead.

Stuart Boyle

We wish to advise families at Rowville Primary School, that a parent and two student in our school community are currently receiving medical treatment and as such have a suppressed immune system.

FOUNDATION ENROLMENTS 2017

Rowville Primary School is now accepting enrolments for 2017. Children who turn five by April 30th of the enrolment year are eligible to attend school. When transferring from interstate, overseas or from a local school it is helpful if a written report is available at the time of enrolment. Group tour information will be available soon.

Enrolment forms are available online http://www.rowvilleps.vic.edu.au/index.php/enrolments/enrolment-information or from the office.
Sports equipment wanted!

Have you got good quality sports equipment laying around at home that you no longer use? We would like to offer additional sporting equipment for students to use at recess and lunchtime. Equipment needed includes: soccer balls, footballs, tennis rackets, tennis balls, plastic cricket bats and wickets and anything else you may have.

If you have any equipment that you would like to donate to the school, there will be a blue basket in the gym for you to place any items in.
LUCKY JAR COMPETITION

Only four weeks to go until our Twilight Fete. The Lucky Jar competition is back on so get your jars into the house tubs in front of the office as soon as possible.

Every jar will need to be decorated in the students’ house colour; this can be done with a fabric swatch on top, stickers or paint. Each jar will be awarded one house point and all points will go towards the house cup awarded at the end of the year. A running tally will be kept throughout term 4 this year and the start of term 1 next year and announced at assemblies throughout.

The house that accumulates the most points in this competition will gain possession of the coveted Lucky Jar Cup until the next fete.

Jars will need to be filled with items of your choice that may be appealing to children or others. Some ideas may be toys, stationery (erasers, paperclips sticky notes etc), hair ties, ribbons, lollies or anything you can think of that people would be happy to receive, (Keep in mind best before dates if putting lollies or other foodstuffs in). Try to keep items as gender neutral as possible. Jars can be of any shape or size, re-purposed or store bought. Have fun, be creative.

Jars will be collected until Friday 4th March 2016 with the winners announced at assembly on Monday 7th March 2016. Please hand your jars in to the office. Remember you can donate more than one – the more you donate, the more points for your house!

Results from the end of 2015 are as follows:

Bergin 0
Franklin 1
Clow 2
Lonsdale 10

Rowville Primary School Fete Committee

Rowville Primary School’s 2016 Twilight Fete Volunteer Round Up

Rowville Primary School’s Twilight Fete is 4 weeks away, on Friday 18th March 2016.

We are in need of volunteers to help make the night a success and raise much needed funds to contribute to the infrastructure of the school. We greatly appreciate all assistance and we are keen to secure your support for this Fete.

We require volunteers to assist on:
- Thursday 17th March for set up and collecting equipment,
- Friday 18th March is Fete Day
- Saturday 19th some pack up may be required and equipment may need to be returned.

Your teachers each have a stall and will be seeking your assistance to man these stalls. You may like to help your grade or alternatively help at other stalls.

If every family was able to volunteer for just two hours, then it will make the day a great success. For planning purposes, please indicate your contact details, availability and any preferences of how you would like to assist by completing the online survey via the link:

We will be roving the playground in the coming weeks, collecting names for volunteers. Please give us a smile and consider putting your name down.

A Fete Committee member will be in contact with you closer to the Fete to confirm your allocation.

On behalf of the Rowville Primary School 2016 Twilight Fete Committee - Thank you in anticipation for your support!

SCHOOL TOURS FOUNDATION 2017

Choosing a school is one of the most important decisions parents will make for their child. Today we are preparing students to operate in the new millennium where individuals need to be better informed, have greater thinking and problem solving abilities and be more self-motivated than ever before. Principal, Anne Babich, invites prospective parents to meet her and tour Rowville Primary School. Anne will meet visitors and introduce them to the learning journey at Rowville Primary School. Anne will also explain the significance of the year before school and how parents can support their child so that they thrive in their first year at school. A walking tour of the facilities, including foundation classrooms, music studio, gymnasium, visual arts studio and Stephanie Alexander Kitchen, will be incorporated in each tour which will take approximately one hour.

Tour bookings are essential and can be made online at www.trybooking.com/EVLO
