From The Principal…

Dear Parents/Carers

I would like to acknowledge staff for the calm and efficient manner in which they enacted our emergency management procedures on Tuesday. As a result, we were able to quickly go into lock down enabling the police to search the school and declare it safe. The Department of Education and Training mandates that we have an emergency management plan in place for situations like this and we practise it throughout the year. Please be reassured that at Rowville Primary School the safety and wellbeing of our students is always our top priority.

We received positive feedback on our procedures from the police who attended and I would like to thank the many parents who have contacted us to acknowledge the wonderful effort of our team.

The 2016 Swimming team was announced at the Monday morning assembly and presented with the swimming caps. I would like to congratulate Vivian and Josh for being selected as captains of the team. They have been training at 7.00am at the Paul Sadler Swimland. I acknowledge Mrs Sue Macdonald, Ms Emily Biggins, Ms Kasey Hughes and Ms Alice Smith for leading the training. We all wish the team well when they participate at the Monash Aquatic Centre tomorrow.

As a whole school we are working on carefully framing learning intentions at the start of a lesson that will direct students’ attention to the learning. The learning intention emphasises what the students will learn, rather than what they will do. When students come home from school parents often ask their children, “What did you do at school today?” We suggest that parents ask, “What did you learn at school today?”

As you may be aware, there has recently been a measles outbreak in the Brunswick area. Because of this risk, I am seeking your cooperation in preparing for any possible outbreak by making sure your child’s immunizations are up to date. Documented evidence indicates that two doses of measles-containing vaccine is the best protection against measles. Parents and carers must inform the school of the immunisation status of their child on enrolment and provide a copy of their child’s immunisation status certificate to the school. Measles usually begins with a fever, sore throat, red eyes and a cough. A rash typically develops around three to seven days after the first symptoms, generally starting on the face and then spreading to the rest of the body. If your child develops any of these symptoms, please seek medical advice from your medical practitioner or NURSE-ON-CALL on 1300 60 60 24 and advise the school on 9764 1955.

Principal

Chickenpox, Measles, Mumps & Slapped Cheek
We wish to advise families at Rowville Primary School, that a parent and two student in our school community are currently receiving medical treatment and as such have a suppressed immune system.
A major concern is if this parent or student develops Measles, Chickenpox or Slapped Cheek, they can become seriously ill.
We seek your cooperation in preventing this situation.
If your son/daughter has or may have measles, mumps, chickenpox or slapped cheek it is requested that you do not send them to school during this period and notify the class teacher or school office as soon as possible.
Children with Chickenpox must not attend school and need to remain at home until all blisters have dried which is usually at least 5 days after the rash appears. Children with Measles must not attend school and need to remain home for at least 4 days after the rash appears.

Commonwealth Bank School Banking
School Banking Day is Friday.

Foundation Enrolments 2017

Rowville Primary School is now accepting enrolments for 2017. Children who turn five by April 30th of the enrolment year are eligible to attend school. When transferring from interstate, overseas or from a local school it is helpful if a written report is available at the time of enrolment. Group tour information will be available soon.

Enrolment forms are available online or from the office. http://www.rowvilleps.vic.edu.au/index.php/enrolments/enrolment-information

A lovely fresh start to the year, creating and re-establishing good routines in the cucina (kitchen). The students were taking a lot of care to perfect the melon balls which resulted in beautiful presentation. Bravo!

Kitchen Garden Specialist.
Sports equipment wanted!

Have you got good quality sports equipment laying around at home that you no longer use? We would like to offer additional sporting equipment for students to use at recess and lunchtime. Equipment needed includes: soccer balls, footballs, tennis rackets, tennis balls, plastic cricket bats and wickets and anything else you may have.

If you have any equipment that you would like to donate to the school, there will be a blue basket in the gym for you to place any items in.

Library News

Chinese New Year

It’s the year of the monkey! To celebrate Chinese New Year we had a display in the library and a mini-competition. We had another look at a picture book called Fang Fang’s Chinese New Year by Sally Rippon. Born in China and living in Australia, Fang Fang doesn’t think her friend Lisa would enjoy celebrating Chinese New Year. The story is lovely and all about sharing different cultures.

Part of the display had picture books with a monkey as the main character. The students enjoyed the themes in Anthony Browne’s books Gorilla, Willy the Wimp, Willy and Hugh and Willy the Champ. I highly recommend his books. Anthony Browne is one of my favourite author/illustrators.

The winner of the mini-competition was Makenna 3C. Students were asked to tell me something that they like about monkey’s….Makenna wrote “I like monkeys when they pick out each other’s fleas.” Some of the other answers were “I love monkeys because they make me laugh and make me happy.” – Logan 2C. “They are so cute and I really like how they hang upside down! I like how they are pretty smart as well.” – Samantha 5B. “Monkeys are good climbers and are playful and love bananas and are cute.” – Nicholas 2B. “I like the ooh ooh aaaa noise and their cheeky faces and things that they do! I know that they are funny and cute.” – Talina 3A.

Thank you

Thank you to the Perez-Reyes family for your recent donation of books to the school library. Our students will enjoy them.

If anyone has any spare plastic bags please drop them into the library.

LUCKY JAR COMPETITION

Dear Parents/Carers

Only four weeks to go until our Twilight Fete. The Lucky Jar competition is heating up, so get those jars into the house tubs in front of the office as soon as possible.

Every jar will need to be decorated in the students’ house colour; this can be done with a fabric swatch on top, stickers or paint. Each jar will be awarded one house point and all points will go towards the house cup awarded at the end of the year.

The house that accumulates the most points in this competition will gain possession of the coveted Lucky Jar Cup!

Jars should be filled with items of your choice that may be appealing to children or others. Some ideas may be toys, stationery (erasers, paperclips sticky notes etc), hair ties, ribbons, lollies or anything you can think of that people would be happy to receive. (Keep in mind best before dates if putting lollies or other foodstuffs in). Try to keep items as gender neutral as possible. Jars can be of any shape or size, re-purposed or store bought. Have fun, be creative.

Jars will be collected until Friday 4th March 2016. The winning house will be announced in assembly on Monday 7th March 2016. Remember you can donate more than one – the more you donate, the more points for your house!

Results from 19th February are as follows:

Clow 13
Bergin 17

Rowville Primary School’s 2016 Twilight Fete Volunteer Round Up

Rowville Primary School’s Twilight Fete is four weeks away, on Friday 18th March 2016.

We are in need of volunteers to help make the night a success and raise much needed funds to contribute to the infrastructure of the school. We greatly appreciate all assistance and we are keen to secure your support for this Fete.

If every family was able to volunteer for just two hours, then it will make the day a great success. For planning purposes, please indicate your contact details, availability and any preferences of how you would like to assist by completing the online survey via the link: http://www.surveygizmo.com/s3/2597094/Rowville-Primary-School-s-Fete-Volunteer-Round-Up-2016

We will be roving the playground in the coming weeks, collecting names for volunteers. Please give us a smile and consider putting your name down.

A Fete Committee member will be in contact with you closer to the Fete to confirm your allocation.

On behalf of the Rowville Primary School 2016 Twilight Fete Committee - Thank you in anticipation for your support!

Rowville Primary School
Choosing a school is one of the most important decisions parents will make for their child. Today we are preparing students to operate in the new millennium where individuals need to be better informed, have greater thinking and problem solving abilities and be more self-motivated than ever before. Principal, Anne Babich, invites prospective parents to meet her and tour Rowville Primary School. Anne will meet visitors and introduce them to the learning journey at Rowville Primary School. Anne will also explain the significance of the year before school and how parents can support their child so that they thrive in their first year at school. A walking tour of the facilities, including foundation classrooms, music studio, gymnasium, visual arts studio and Stephanie Alexander Kitchen, will be incorporated in each tour which will take approximately one hour.

Tour bookings are essential and can be made online at www.trybooking.com/EVLOQ

Individual, personalised tours can also be arranged by contacting our admissions officer, Lyn Furze, on 9764 1955 or email rowville.ps@edumail.vic.gov.au
