Dear Parents/Carers

The School will be closed on Monday 25th April for the ANZAC Day public holiday. Every year, students, teachers, parents and guests at Rowville Primary School pause to observe our own remembrance of ANZAC Day so that we teach our students about the significance of this day. We will hold a special ceremony on Thursday 21st April at 8.45am in the gymnasium. Sprigs of Rosemary will be distributed before the ceremony. The wearing of Rosemary on ANZAC Day is a mark of respect for the soldiers who didn’t return from war. It is a symbol of loyalty and friendship. All parents are friends are invited to attend our special ceremony. Students are invited to display war medals from family members. Medals should be either taken home by parents at the end of the ceremony or left at the office for safe keeping.

On Friday 22nd April our students will be participating in the annual Walkathon from 9.00am. Parents and friends are invited to attend.

At our Monday morning assemblies I have been presenting our students with a range of literature to inspire them to want to read. We are not born readers; we learn to turn words into worlds. Readers turn shapes on a page into a lifelong adventure. We use levelled books as an instructional tool. So our early readers in particular will take home a “levelled book”.

Good readers choose to read a wide variety of materials, biographies, novels for enjoyment, novels to challenge and inspire us, directions to find out how to put something together or cook, or newspapers and magazines to find out about current affairs or investments. Today’s workplace demands many different kinds of literacy. Good readers do not simply “practice” reading; they have a range of purposes and objectives.

Good readers learn from their reading and, as they do so, learn more about reading. Think about reading a new author, for example, or reading about an unfamiliar topic. As you read, you gradually learn more about how to read that piece of writing. You become accustomed to the author’s style and catch subtle meanings, or you bring more general and specific knowledge to your reading of the topic so that you can understand the text. As an adult, we have systems for reading that constantly expand and improve; in fact, we call this system a self-extending system, one that enables you to keep learning.

Through our Monday morning assemblies I have been encouraging our students to look for books in the library that are “just right” for them. Children need to learn how to choose a book. There is a library in each of our classrooms and this enables students to choose a book from a small selection. Our teachers model how to look through a book by looking at the cover, flipping through the pages and scanning the illustrations. The five-finger rule is a strategy used with our early readers. This rule reminds them to count on their fingers every time they miss a word in a particular book. If they miss five words, the book may be too hard. If they miss three words or fewer, it might be “just right”.

A just right book is a book the student finds interesting and can confidently read and understand with a small amount of support. These books also make the student stretch a little bit so that they have opportunities to apply the strategies they have been learning in the classroom and to experience new vocabulary.

I have been an avid reader since childhood. What I didn’t realise at the time that my journey into the fantasy world of books were actually a training ground for my future career as a teacher. Reading can be pure joy, if you are reading the right book - something that captures your imagination, that compels you to read more, that tells you a good story, that creates wonderful characters and that takes you to a new world. I would like to inspire our students to discover the joy of reading.

Principal

Monday 25th April is ANZAC Day

ANZAC Badges are available from the school office and for sale at eating time in the classroom. The cost this year for an ANZAC badge is 50 cents.

Please note: The school will be closed on the ANZAC Day public holiday, Monday 25th April 2016.
Dear Parents/Carers

At our assembly on Monday, I shared with our students a conversation that I had had about a group of young people that decided to focus on what they had rather than what they wanted. With the support of their parents, the boys decided to select two toys or books that they could take to a play date to swap. At the end of the play date, they went home with two new books to read or toys to play with that they didn’t buy and were not the latest fad or greatest thing. They were quite proud of the fact that they had swapped two items that they owned and enjoyed so that someone else could also use and enjoy. As I said to our students, I am not suggesting that we all need to rush out and organise play dates and toy swaps, but I am encouraging all of us to look at what we already have, not what we want. It is easy to fall into the trap of taking things for granted.

As part of this discussion, I had shared that I was quite proud of myself for striking some special cuttings of a treasured plant in my garden for the first time, I was convinced it would be unsuccessful. The young person with whom I was having this conversation said to me that this was very similar in concept to the swap – I had obviously focussed on what I could not do rather than what I can or could do. Such wisdom from someone so young. I set our students the challenge to focus this week on what they can do and what they could do if they were to give something their best effort. This might be a great after school conversation to have with them.

The first session in our program for parents run by Anglicare Victoria, Parentzone and Knox Council focussing on the challenges and choices involved in raising young people was held on Tuesday afternoon. We have again included the flyer in this newsletter as it is not too late to register for the program. Please see the dates and details on the flyer and take the opportunity to register to attend if you are able to. There are a limited number of places available.

The Walkathon will take place this Friday and the burst of fine Autumn weather that we are currently experiencing will ensure that it is an enjoyable event. Our target this year is to beat the 2015 total tally of $5000 to assist in our upgrade of our library. Students can wear a T-shirt or top in their House colour to help get into the House spirit. We require many volunteers on the day to assist with marshalling, setting up the course and supervising the walkers. If you are available between 8:30am and 10:45am this Friday and have not yet returned a reply slip – we would love to hear from you. Thank you to our FORPS team for organising one of our great sporting events.

Have a wonderful week ahead.

Assistant Principal

**Chickenpox, Measles, Mumps & Slapped Cheek**

We wish to advise families at Rowville Primary School, that a parent and two students in our school community are currently receiving medical treatment and as such have a suppressed immune system.

A major concern is if this parent or student develops Measles, Chickenpox or Slapped Cheek, they can become seriously ill.

We seek your cooperation in preventing this situation.

If your son/daughter has or may have measles, mumps, chickenpox or slapped cheek it is requested that you do not send them to school during this period and notify the class teacher or school office as soon as possible.

Children with Chickenpox must not attend school and need to remain at home until all blisters have dried which is usually at least 5 days after the rash appears. Children with Measles must not attend school and need to remain home for at least 4 days after the rash appears.

---

**FOUNDATION ENROLMENTS 2017**

Rowville Primary School is now accepting enrolments for 2017. Children who turn five by April 30th of the enrolment year are eligible to attend school. When transferring from interstate, overseas or from a local school it is helpful if a written report is available at the time of enrolment. Group tour information will be available soon.

Enrolment forms are available online or from the office.

ANZAC Day

Stud Park Shopping Centre in conjunction with the local RSL, Salvation Army and Rowville Lions Club will hold an official ANZAC Day Ceremony at 10.00am on Monday 25th April, 2016 at the ANZAC Memorial outside the Rowville Public Library.

Our students’ artwork for this year’s ANZAC Day Ceremony has been put up on the windows at the library. If you are visiting the centre take a look at the artwork. This year’s poppy theme looks fantastic.

Library Lunchtime Activities

This week the lunchtime programs started in the library with over 30 enthusiastic students attending each session. We have the following:

Bookworms on Mondays for students in Years 3 – 6
Chess Club on Tuesdays for students Years 3 – 6
Storytime on Wednesdays for students in Foundation, Years 1 and 2.

We’ve had some fun with knitting, games, craft, reading, computers and drawing. It was great to see so many students enjoying extra time in the library.

Victorian Premiers’ Reading Challenge

The deadline for the return of the Victorian Premiers’ Reading Challenge consent forms. If you have not sent your consent form could you please do so this week? We would like to see as many students as possible completing the challenge. It is not extra work as every student in Years 3 to 6 usually reads 15 books a year or more and the Foundation, Years 1 and 2 students will be sharing 30 books with their classroom teachers.

If you have any enquiries please see Grace Searle or myself as the Reading Challenge Co-ordinators.

Sun Smart Policy - No Hat No Play -  
1st September to 30th April

Part of our Sun smart policy at Rowville Primary School is that students should wear the official school uniform wide brimmed hat when outdoors from 1st September to the 30th April. We urge all parents to protect their children for now and the future by purchasing a school hat. Students are also encouraged to apply sunscreen (SPF 30 + 20 mins prior to outdoor activity) provided by parents. Please place the students name on the sunscreen container.

Please encourage your children to have their hat at school each day. Hats are available from our uniform supplier Klad Sport, Factory 8 Macro Court, Rowville.

Buddy Bench

Friends of Rowville Primary School, FORPS, in conjunction with the Student Parliamentary Working Group, wish to further encourage our school values of "Understanding & Inclusion" & "Care and Compassion" by purchasing a "Buddy Bench".

The seating will become a space for any child who may be feeling lonely and in need of a friend.

The bench seat is environmentally friendly, being made from recycled plastic and manufactured locally in Melbourne. The total project cost is $1416.80. There is a $1,000 grant, which if we receive, will be used to buy the bench seat and we will raise further funds from future fundraising events during the year.

Program background
As part of the Victorian Government’s Affordable Uniform Program, every Prep government school student who is a recipient of the Camps, Sports and Excursion Fund (CSEF) automatically qualifies for a uniform pack voucher. Each year, State Schools’ Relief (SSR) provides tens of thousands of children with school clothing, shoes and other essential items. For the first time SSR has received government funding so that it can help more families needing financial assistance, and ensure no one is left behind.

Eligibility requirements for CSEF can be found at www.education.vic.gov.au/csef

What uniform support is provided?
SSR will provide:
- A basic windcheater and tracksuit pants
  OR one of the following
- A bomber jacket, rugby top, hoodie or zip jacket

How can parents apply for the uniform?
Parents must apply for CSEF by the closing date listed at www.education.vic.gov.au/csef before they approach the school to apply. Primary schools are required to make applications on behalf of parents at www.ssr.net.au/schools.

Once approved, the voucher will be dispatched electronically to the school, uniform shop or uniform supplier. The school will provide the voucher to the parent/student to present at the uniform retailer (and not at SSR).

What if parents have already purchased their child’s uniforms?
Eligible parents who have already purchased their child’s uniforms for the year can select items of a larger size from the retailer.

Can parents who are ineligible for CSEF or, who have children in other year levels receive assistance from SSR?
Yes. Applications for parents requiring financial assistance for uniforms, textbook or shoes are encouraged via the regular SSR services – www.ssr.net.au/schools. SSR only responds to requests from schools (not from parents directly). Parents are encouraged to talk to their school principal, assistant principal or student welfare coordinator about their situation and they will assess their eligibility.

Terms and conditions
- Only CSEF recipients are eligible for the uniform packs.
- Each student is eligible for a single uniform pack.
- A voucher is dispatched electronically to the school, uniform shop or uniform supplier on approval. The school will provide the voucher to the parent/student to present at the uniform retailer (and not at SSR).
- The order is valid for 45 days from date of issue.
- Once expired, a new application must be lodged.
- Expired vouchers cannot be redeemed.
- Each voucher specifies the individual items funded by SSR.
- No change to the items can be made unless through the school.
- Changes made in store will not be honoured by SSR.
- The maximum voucher value is $57 and any short fall will not be covered by SSR.
- The value of the voucher is a maximum value rather than an entitled amount. Should the value of the item be less than $57 the difference will not be credit towards other items.
