**From The Principal…**

Dear Parents/Carers

It’s hard to believe our first semester is ending. What a great year so far with only more wonderful things to come! Our Year Six Boys’ Tee Ball team are the District Round Robin champions. They have now qualified for the Knox Division Championship that will be played early in term three at Gilbert Park.

Our students have performed well in the World Language Perfect Championships (results are enclosed in the newsletter)

It has been a slightly longer term than usual and our students are looking forward to the term break. It has been pleasing to see the learning progress that our students have made from this time last year.

All parents have been able to access a digital copy of their child’s semester one report on Compass from Monday 20th June. Parents have online access to all their child’s reports for the duration of their child’s enrolment at Rowville Primary School.

Parent Teacher Conferences will be held in week five of term three.

**Wednesday 10th August 3:30 - 7:30pm**

and

**Thursday 11th August 3:30 - 6:00pm**

Bookings via Compass will open on Monday 18th July, 2016 at 11.00am.

**FOUNDATION ENROLMENTS 2017**

Rowville Primary School is now accepting enrolments for 2017. Children who turn five by April 30th of the enrolment year are eligible to attend school. When transferring from interstate, overseas or from a local school it is helpful if a written report is available at the time of enrolment. Enrolment forms are available online or from the office.

I wish all families a wonderful midyear break. Term two will conclude at 3.15pm on Thursday 23rd June. Term three will commence at 8.45am on Monday 11th July.

Anne Babich
Principal

**Curriculum Day**

Please note Friday 24th June 2016 is a Curriculum Day. Students do not attend school on this day.
From The Assistant Principal...

Dear Parents/Carers

The term break has arrived and I am sure that given the weather most people are perhaps thinking that their children will be stuck inside for the whole winter break. The perennial question ‘How are we going to keep the kids entertained?’ is one that usually occurs to people around this stage of each term. As I usually do in my last edition of the newsletter each term, I have included details of a few great things happening in our local area over the holiday period that you may be interested in adding to the list (or using to start the list!)

Knox City Council-Youth Services: Film making Workshop

Knox City Council Youth Services and Playanimation will be facilitating a one day workshop on film making on Wednesday 6th July 10.00am – 3.00pm for young people who live, work, study or have a connection to the City of Knox. Participants will learn about special effects, camera movement and how to make a short film. Young people will need to bring a mobile phone, iPad/tablet. Lunch is provided. This is a free workshop is for young people aged 10-14 years.

Places are limited so book now by contacting Kate Clark on T: 9298 8000 or e: kate.clark@knox.vic.gov.au

Knox City Council-Youth Services: Martial Arts

Knox City Council Youth Services and Melbourne Dragons Martial Arts will be presenting two free self defence workshops for young people on Tuesday 5th July, 2016 10.00am-12noon (10-14 year olds) and 1.00pm-3.00pm (14-18 year olds) at Rowville Community Centre, 34 Fulham Road, Rowville. Visit www.knox.vic.gov.au/engage for a flyer. To register, contact Knox City Council Youth Services on Telephone: 9298 8000 or email: youth@knox.vic.gov.au

Wellbeing News:

I would also like to draw your attention to some fantastic websites that we can use as parents and educators to support the health and wellbeing of our young people.

Emerging Minds http://www.emergingminds.com.au

Emerging Minds is dedicated to advancing the mental health and emotional wellbeing of Australian infants, children, adolescents and their families. A useful resource published each month is the Emerging Minds eNewsletter. A quick link to the latest news and to find the eNewsletter or to subscribe; http://www.emergingminds.com.au/latest-news

Emerging Minds develops programs and resources in response to the needs of families, children and healthcare professionals. These include online resources, practical books, DVDs, online and face-to-face training programs.

Raising Children http://www.raisingchildren.net.au

Created by a partnership of member organisations of Australia’s leading early childhood agencies, the Raising Children website is produced with the help of an extensive network including the Australian Government. There are many resources for children of all ages spanning birth to the teenage years. There are many resources to support communication, developmental milestones, health milestones, positive play and learning and strategies to support positive behavior.

Have a safe and restful term break.

FORPS Volunteers

New volunteers are always welcome to join or help our Friends of Rowville Primary School group. If you would like to assist with any of the activities FORPS organise please leave your name at the office and one of our friendly team will be in contact.
Congratulations to the following students who were presented with a Citizenship Award at our Monday morning assembly. These students demonstrated our value of ‘Responsibility’ to an exemplary level.
Calling all Green Thumbs

Calling all green thumbs...... Do you have some time to spare after school drop off or before school pickup time? A few extra hands willing to weed in the garden would make a huge difference to our kitchen garden. Please leave your name and contact number at the school office or visit me in the kitchen, Monday to Thursday, if you can assist at all in helping maintain our lovely garden.

We would also be grateful for donations of old bricks for creating borders in our garden. We are also looking for donations of river rocks, as this year we hope to create a dry river bed for the excess water runoff in the garden after the rain. Rocks and bricks can be delivered straight to the garden.

Thank you

**Compass News**

**Coming Soon:-**

Compass Events will be released in Term 3. Parents and Carers will have the ability to consent to their child attending and paying for excursions, incursions, Beyond Boundaries Adventure Program and sporting events online. More information to follow in the coming weeks.

**Attendance Matters:-**

Please make regular checks to ensure your child has all absences and late arrivals to school approved on Compass. Absences can be entered in advance on Compass by Parents. **Once an absence is entered, there is no need to telephone the school to notify us that your child is absent for the day.** Parents are notified on the top right section of the Compass home page if there are late arrivals or absences to be approved. When a student arrives at school late and is issued with a late pass before 9.30am, parents will need to approve these. We thank you for your assistance in this matter and ask you to telephone the school should you have any queries regarding this process.

**Semester 1 Student Reports:-**

The Semester 1 student reports are now available for viewing on Compass. Families have the option of reading, saving to their computer and printing a hard copy. Once a student leaves Rowville Primary School to move onto Secondary College, parents will no longer have access to the Rowville Primary School Compass portal. Please ensure you save or print your child’s report for future reference.

**Uniform Shop News**

The uniform supplier, Klad Sport, have advised that they will close for the first week of the school holidays - 24th June to 4th July 2016. Klad Sport will also close early at 2.00pm on 6th and 7th July.
Victorian Premiers’ Reading Challenge

Students participating in the Reading Challenge are going very well. Keep up the good work. The students in Foundation, Year 1 and Year 2 are sharing 30 books with their classroom teachers. These year levels should have read 20 books (out of 30) by the end of term. Congratulations to Ms Dobson 1C, Mr Gordon 2B and Mr Males 1B whose grades are the first to finish the Challenge.

Students in Years 3 to 6 are in the process of reading 15 books. Remember to record the title and author of any books you have read over the holidays. They can be added to your list of free choice books for the Premiers’ Reading Challenge.

The Reading Challenge finishes at Rowville Primary School on 12th August, 2016. If you would like further details on the Victorian Premiers’ Reading Challenge go to www.education.vic.gov.au/prc or contact Grace Searl or myself. All enquiries are welcome.

Rowville Library - Stud Park

If you’re looking for something to do over the holidays there are some fun activities happening at the Rowville Public Library. For further details and bookings please phone Rowville Public Library 9294 1300 or check the Eastern Regional Libraries website www.erl.vic.gov.au

Eastern Regional Libraries Membership

Last Wednesday the staff from Rowville Primary School attended an information session run by Eastern Regional Libraries on the Library Databases School Program. Eastern Regional Libraries, service the communities of Yarra Ranges, Maroondah and Knox. The services to library members is extensive and includes such things as Britannica, Literacy Planet, Tumblebooks, Mango Languages, Overdrive eBooks, Audiobooks, Zinio (magazines) and Lynda, to name just a few. You can obtain access to these services by becoming a member of the library. There is no cost or additional fees.

I would like to encourage students and their parents to have a look at the Eastern Regional Libraries website at www.erl.vic.gov.au and see for yourselves what is on offer. Now that we have one-to-one digital devices this membership would be beneficial to our students. Membership forms (adult and children) are available from our school library or you can apply online through the Eastern Regional Libraries website. If anyone has any enquiries please come and see me. Thanks to Micah and Paul from Eastern Regional Libraries for visiting our school.

The Jungle Book

We recently had a look at the classic story ‘The Jungle Book’ by Rudyard Kipling. Students were challenged to identify the characters from the book. Mowgli, Baloo, Bagheera, Kaa, Shere Khan and others. Our students did very well. ‘The Jungle Book’ was first published in 1894 and it is interesting to know that Rudyard Kipling had an article published in a newspaper in 1889, but the editor refused to take any more. He said that Rudyard’s writing was pathetic and wasn’t good enough for the paper. Eight years later he was awarded the Nobel Prize for literature! Various ‘Jungle Book’ movies have been produced over the years and new editions of ‘The Jungle Book’ novels have been published. We have several new copies at school and anyone wishing to borrow them can come and reserve them.

Overdue Library Books

Over the past few weeks teachers have been given the lists of students in each grade who have overdue library books. Thank you to the students who have returned their books however, there are still some missing. Could all students please have a look for them over the holidays? I will follow these up again next term. Any enquiries regarding missing library books please come and see me, write a quick note or email the school and I will follow them up. Thank you.

Knitting Club

Reminder to all the Knitting club members to keep knitting over the holidays. The more squares we have the better. Any student who has not yet bought your Knit Kits to the library please do so as soon as possible. Thank you.

Read, Read, Read!

I encourage all students to enjoy a good book over the holidays. It’s a great time to refresh and relax with stories. Dive into adventure, explore the world, dream of far off places and search for fact or fantasy. Books have it all! Read, read, read – the more you read the more you learn! Enjoy the holidays.

Jackie Hicks – Library Technician
Buongiorno,

At Monday morning’s assembly students were recognised for the outstanding work and commitment they made during the Language Perfect World Championships. Their dedication both in school lessons and out of school hours, ensured that Rowville Primary School won round 1 of the Rowville Cup in our challenge against Rowville Secondary College.

The following students received school based credit certificates for scoring between 300 and 499 points

Luke P 302
