Dear Parents/Carers,

Our students in the senior school are participating in the production as part of their learning program for term three. Student involvement in a school musical improves a student’s self-esteem, thinking skills, listening skills, creative abilities and personal expression. We are in the final stages of rehearsal for our 2016 senior school production of the musical-drama, “In Your dreams” which will be performed at the Rowville Secondary College Performing Arts Centre in the final week of term three on 14th and 15th September at 7.15pm. Tickets are available for purchase at [https://www.trybooking.com/MJHN](https://www.trybooking.com/MJHN).

Over the last few weeks I have been aware that parents have been conversing with teachers on a range of friendship issues involving their child and other students. I have included an article by Michael Grose, even though it is old, it addresses many of the issues that have been the focus of conversations.

12 friendship skills every child needs ©Michael Grose 2009

Kids can be picky about who they play and mix with. Popularity should not be confused with sociability. A number of studies in recent decades have shown that appearance, personality type and ability impact on a child’s popularity at school.

Good-looking, easy-going, talented kids usually win peer popularity polls but that doesn’t necessarily guarantee they will have friends.

Those children and young people who develop strong friendships have a definite set of skills that help them easy to like, easy to relate to and easy to play with.

Here are twelve essential skills that children have identified as being important for making and keeping friends:

<p>| | |</p>
<table>
<thead>
<tr>
<th></th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>1</td>
<td>Ability to share possessions and space</td>
</tr>
<tr>
<td>2</td>
<td>Keeping confidences and secrets</td>
</tr>
<tr>
<td>3</td>
<td>Offering to help</td>
</tr>
<tr>
<td>4</td>
<td>Accepting other’s mistakes</td>
</tr>
<tr>
<td>5</td>
<td>Being positive and enthusiastic</td>
</tr>
<tr>
<td>6</td>
<td>Starting a conversation</td>
</tr>
<tr>
<td>7</td>
<td>Winning and losing well</td>
</tr>
<tr>
<td>8</td>
<td>Listening to others</td>
</tr>
<tr>
<td>9</td>
<td>Starting and maintaining a conversation</td>
</tr>
<tr>
<td>10</td>
<td>Ignoring someone who is annoying you</td>
</tr>
<tr>
<td>11</td>
<td>Cooperating with others</td>
</tr>
<tr>
<td>12</td>
<td>Giving and receiving compliments</td>
</tr>
</tbody>
</table>

Friendships skills are generally developmental. That is, kids grow into these skills given exposure to different situations and with adult help.

In past generations ‘exposure to different situations’ meant opportunities to play with each other, with siblings and with older and younger friends.

They were reminded by parents about how they should act around others. They were also ‘taught’ from a very young age.

Arrested development

The NEW CHILD grows up with fewer siblings, fewer opportunities for unstructured play and less freedom to explore friendships than children of even ten years ago.

A parenting style that promotes a high sense of individual entitlement rather than the notion of fitting in appears to be popular at the moment.

These factors can lead to delayed or arrested development in these essential friendship skills, resulting in very unhappy, self-centred children.

Here are some ideas if you think your child experiences developmental delay in any of these essential skills or just needs some help to acquire them:

1. Encourage or insist that kids play and work with each other: Allowing kids the freedom to be kids is part of the message here but parents have to be cunning with the NEW CHILD and construct situations where kids have to get on with each other. For some kids “Go outside and play” is a good place to start!!

2. Play with your kids: Interact with your kids through games and other means so you can help kids learn directly from you how to get on with others.

3. Talk about these skills: If you notice your kids need to develop some of these skills then talk about them, point out when they show them and give them some implementation ideas.

Kids are quite ego-centric and need to develop a sense of ‘other’ so they can successfully negotiate the many social situations that they find themselves in.

We often focus on the development of children’s academic skills and can quite easily neglect the development of these vitally important social skills, which contribute so much to children’s happiness and well-being.

Anne Babich
Principal
Dear Parents/Carers,

School Council met on Wednesday 24th August for our final term 3 meeting. I can’t believe how fast this year is flying by!

Our new sub-committees have all had their first meetings and have reported back to School Council on the various projects that they are researching.

Friday 5th August was Principal’s Day, so we arranged a surprise morning tea in the staff room to show our appreciation, and acknowledge the dedication and hard work that Anne, Stuart and Liam provide to our school community. As it turned out, Stuart was unable to attend, so we decided we would have a presentation at the next school assembly. We then discovered that both Stuart and Liam were unavailable, so they will just have to wait until next year!

I did manage to present Anne with flowers, after our children all agreed and voted with a show of hands that Ms Babich is the ‘Best Principal Ever’!

At our last meeting, School Council reviewed and ratified the following policies -

- Student Engagement, Safety and Wellbeing Policy
- Fundraising Policy
- Parent Payment Policy

We are making progress with educating our junior students about school boundaries. The spring on the gate (Stud Park entrance) has been replaced with a self closing spring. We haven’t made it too rigid, as we don’t want anyone to get hurt if their hand gets caught. Our teachers have explained to the students that the school gates are out of bounds during school times, and we have asked some of the art students from Rowville Secondary College to paint murals on the footpath in front of the gates to mark the ‘no go’ zone. The art students are finishing up exams and will start on our project very soon.

A large component of running a school or aftercare program, involves strict conformance and adherence to heavily regulated legislation, which focuses on the safety and wellbeing of our children. The duty of care and responsibilities placed upon any organisation which is entrusted with the care of children, is very complex and rigid. Based on this, the rules that a school and aftercare provider must put in place to ensure they are complying with their duty of care obligations in child safety, may appear constricting at times. These organisations must go through a hazard identification program, followed by a thorough and rigorous risk analysis and mitigation process, to ensure they have identified as many risk areas as possible. This ensures that a strategy can be put in place to ensure that all measures, as reasonably practicable, are put in place to prevent incidents and accidents; much like that of any workplace that we as parents might work in. On the flip side, there is also a duty of care to the staff, as this is their workplace, so the organisation must also conform with state based OHS legislation in Victoria. These regulations are all subject to change frequently, so the policies on play areas and the types of play, may need to alter from time to time to ensure compliance.

Our aftercare provider, Camp Australia, work very hard to ensure they not only comply with current legislative requirements, but to also keep our children safe and happy.

If you have any questions regarding any of the Camp Australia processes and policies, please contact the Customer Care line on 1300 105 343 8am-6pm Monday to Friday. Or, alternatively you can speak to Brodie in person in the aftercare room. The Camp Australia team are here to support our school community in any way they can. You can also leave a note at the office addressed to Camilla Worsnop or Amy Satur and they will follow up any questions you may have.

I would like to wish you all a safe and relaxing end of term break.

Vikki Fitzgerald
School Council President

**Victorian Premiers’ Reading Challenge**
Congratulations to our students, all 306 of you, who registered for the Victorian Premiers’ Reading Challenge this year. Every student who has completed the Challenge. Foundation, Year 1 and Year 2 students read 30 books with their classroom teachers. The students in Years 3 to 6 read 15 books to complete the challenge. Many students read more than the required 15 books – well done. It was interesting to see that a total of 8,212 books were read by students this year. That’s a lot of reading! For your information the Victorian Premiers’ Reading Challenge certificates are due for distribution in November.

The top 5 favourite books, as voted by the students in our school were *Borderlands* by Skye Melki Wegner, *Stormbreakers* by Anthony Horowitz, *Dirty Bertie* by Alan MacDonald, *Horrible Harriet* by Leigh Hobbs and *Crow Country* by Kate Constable.

The top 5 Star rated books at our school were *Demon Dentist* by David Walliams, the *Third Wheel and The Last Straw* by Jeff Kinney, *The Nag Club* by Anne Fine and the *Tark’s Find* by Meredith Costain. Well done everyone and keep reading!

Grace Searl and Jackie Hicks
Victorian Premiers Reading Challenge Co-ordinators

---

**Attendance Matters**
Please make regular checks to ensure your child has all absences and late arrivals to school approved on Compass.

Parents are notified on the top right section of the Compass home page if there are late arrivals or absences to be approved. When a student arrives at school late and is issued with a late pass before 9.30am, parents will need to approve these.

Absences can be entered in advance on Compass by Parents. Once an absence is entered, there is no need to telephone the school to notify us that your child is absent for the day. We thank you for your assistance in this matter and ask you to telephone the school should you have any queries regarding this process.

---

**Travel to School Study Conducted by Deakin University**
The way we travel can affect our health, the health of people around us and the environment we live in. We want to find out how young people travel and what can be done to help them walk and cycle more. Parents who complete the survey will receive a $20 voucher.

About the study...
We want to find out more about how young people travel. We’re also interested to understand why young people use different modes of transport and what can be done to help them walk and cycle more.
We are studying these issues as part of an evaluation of current walk to school initiatives. The information we collect from you will give us a better understanding of the travel behaviour of young people and may be used to inform future active travel initiatives.

To participate please click on the link below.
Buongiorno,

During the third term holidays, a group of teachers, parents and students will be going on a cultural tour to Italy. They will be visiting Rome, Orvieto, Florence and Venice. I asked the students what they were most looking forward to and these were their responses.

Alex: Visiting the Vatican and the Sistine Chapel.
Heath: Going on a gondola in Venice.
Bradley: Exploring the streets of Rome.
Jai: Sightseeing and the Colosseum.
Sunny: Doing the scavenger hunt in Italian through the town of Orvieto with the students who are learning English from the English language school.
Vivian: Participating in classes in Majolica painting and mask making.
Tenaya: Meeting the Italian students in Orvieto and having dinner with them.

We wish them all an enjoyable trip.

Language Perfect

Congratulations to all our students who put in an amazing amount of effort during the one week of the Victorian Championships. As yet I don’t have official confirmation, but according to the scoreboards, Rowville Primary School was first in the state for points scored in Italian. In the Rowville Cup Challenge section, we had the first 5 top students and top grade as well as many students achieving awards. Fantastic effort, especially by those who went home and did a lot of extra work. The third round of the Rowville Cup Challenge is in early October. Let’s see if we can make a clean sweep and win all three rounds this year.
