From The Principal...

Dear Parents/Carers

There has been much excitement at Rowville Primary School during the week. On Monday morning our year six, five and four students departed with their teachers and a group of parent volunteers for their Beyond Boundaries Adventure Programs. The year three students departed for their experience this morning and the Foundation, year one and two students will undertake their experience on Thursday and Friday. While it has been very quiet around the school it has certainly not been quiet in terms of workload!

After much planning and consideration, the Parent Payments and Voluntary Contributions for each student in 2017 have now been confirmed and documentation was sent to all families via COMPASS. The payments received provide the resources to support our high quality educational programs, administration, facilities development and maintenance. In the past families paid for their book pack and other charges including the Essential Student Learning Items at the school office. For 2017, families will be able to order their book packs online and make all payments online at the same time via the Staples website; www.staplesbacktoschool.com.au using the unique code 126869 as per the information that has been sent to all families.

Once payments have been made, book packs will be delivered to your home by the supplier. This will avoid the long queues and waiting times that were a feature of the former process. Orders placed prior to 18th January 2017 will be delivered to your home in time for the start of the school year which is 31st January 2017.

Parents who would prefer to make payments at the school office rather than online can still do so. Families experiencing financial difficulties can enter into a payment plan. The office staff Lyn, Sue, Robyn and Janet can provide either phone or personal assistance with ordering or payment.

Recent heavy rainfall across the state has led to ideal breeding conditions for mosquitoes. Current and predicted weather conditions, particularly in the northern part of the state, suggest that high numbers of mosquitoes will continue well into the summer months. Schools are advised of important protection measures to prevent spread of diseases.

While the overall risk is considered low, some mosquitoes carry viruses, so an increase in mosquitoes may increase the risk of mosquito-borne diseases.

Most mosquitoes found in Victoria do not carry diseases, but are more of a nuisance. Diseases that can be spread by mosquitoes in Victoria include Ross River virus and Barmah Forest virus, or very rarely Murray Valley encephalitis virus. Ross River and Barmah Forest viruses can cause joint inflammation, pain and rash in about a third of those infected. The majority will show no symptoms.

Murray Valley encephalitis virus (MVE) is a brain infection that in rare cases, can cause the brain to swell, leading to brain damage or death. The last known case in humans was reported in Victoria in 1974.

There are simple steps students can do to help protect from mosquito-borne diseases.

- Wear loose-fitting clothing when outdoors. Cover up as much as possible.
- Use mosquito repellent that contains picaridin or DEET.

R.S.L. Poppy Badges
Friday 11th November 2016 is Remembrance Day.

To commemorate Remembrance Day the school is selling Small Red Poppy Badges for 50 cents, Large Red Poppy Badges for $2.00 or $5.00 and Poppy Wristbands for $3.00.

Proceeds from this Appeal are used in the welfare work carried out by the RSL for ex-service men, women and their families. Poppy badges will be sold daily and are available at the office.

‘LEST WE FORGET’
From The School Council Vice President...

Dear Parent/Carers

School Council met on Wednesday 26th October. This was our first meeting for Term 4. There was no meeting in September due to school holidays.

We heard that the predicted school enrolment for 2017 is between 450 to 460 students.

There will be a whole school Curriculum Day on Friday 9th December to plan next year’s curriculum so students will not be required at school on that day.

School Council reviewed and ratified the following policies at the last meeting:

- Flexible Work Policy
- Refund Policy
- Curriculum Policy
- Reimbursement Policy

All policies can be found on our website http://www.rowvilleps.vic.edu.au/index.php/news/policies and have been published on Compass.

We had a discussion about the staff carpark at the front of our school. Safety of the students is of the utmost concern of the staff and School Council of Rowville Primary School. We have formed a Traffic Management Sub-committee to develop strategies to improve carpark safety. We ask that all parents do not use the staff carpark, especially before and after school to drop off or pick up children. We do not want anybody hurt by cars in the carpark and we have had several near misses in the past.

We discussed the Parent Payments for each child for 2017. We were very happy to hear that Rowville Primary School has the cheapest Essential Student Learning Items out of all Primary Schools in the area. This year we will also be able to order our children’s books from Staples online and we will have the ability to decide whether we need to buy new colouring in pencils, pencil cases etc instead of the previous system. We will even be able to have the book packs delivered to our homes.

As a result of many families contributing to the Voluntary Building Fund over the years, the outside of our school will be repainted next year during the school holidays between Terms 1 and 2. We were hoping to have it done over the Christmas holidays, but were advised it was too hot for the paint to dry properly. Over the Christmas holidays our gym floor will be sanded back and repolished ready for 2017.

We also heard about how well the Before and After School students have settled into Camp Australia. Presently 15 children on average attend Before School Care and 38 on average attend After School Care. The children can participate in a variety of activities during this time and have a variety of foods to choose from for breakfast and/or afternoon tea.

It is hard to believe that the end of the year is coming up so quickly. Our next meeting will be held on Wednesday 23rd November at 7.30pm in the Staff Room.

I would like to wish you all a safe and happy Term 4, especially the Years 6 students as you enjoy your last term of Primary School.

Narelle Thomson
School Council Vice President

Please make regular checks to ensure your child has all absences and late arrivals to school approved on Compass.

Parents are notified on the top right section of the Compass home page in the new feed if there are late arrivals or absences to be approved.

Absences can be entered in advance on Compass by Parents.

Once an absence is entered, there is no need to telephone the school to notify us that your child is absent for the day.

We thank you for your assistance in this matter and ask you to telephone the school should you have any queries regarding this process.

Graduation 2016
Signature Bear, Football, Soccer Ball, Notebook or Frame

FORPS are offering Year 6 students the opportunity to purchase a graduation signature bear, signature football, signature soccer ball, message notebook or signature frame. This makes a great memento for your child to keep and remember their primary school years. The bear and footballs are made from durable calico and come complete with a permanent marker for friends’ signatures. These are high quality and great value. Samples are displayed at the office.

Please return order form below, along with your payment, by **10.00am on Monday 14th November 2016**. Payments can be made by cash, cheque, credit card, EFTPOS or BPAY (BPAY required by 9th November to allow for bank processing).

Unfortunately late orders cannot be accepted.

**Chickenpox, Measles, Mumps & Slapped Cheek**

We wish to advise families at Rowville Primary School, that a parent and two students in our school community are currently receiving medical treatment and as such have a suppressed immune system.

A major concern is if this parent or student develops Measles, Chickenpox or Slapped Cheek, they can become seriously ill.

We seek your cooperation in preventing this situation.

If your son/daughter has or may have measles, mumps, chickenpox or slapped cheek it is requested that you do not send them to school during this period and notify the school office immediately.

Children with Chickenpox must not attend school and need to remain at home until all blisters have dried which is usually at least 5 days after the rash appears. Children with Measles must not attend school and need to remain home for at least 4 days after the rash appears.

School Savers Charity Group

A group of year 10 students from the MSA Academy at Rowville Secondary College, Western Campus, would like to promote a charity project, School Savers, which they are involved with. School Savers is a charity group run by the Rowville Lysterfield Interact Club. Our aim is to collect school supplies (such as notebooks, novels, pens, pencils etc.) and send them over to a school in a remote country area in South Africa.

We invite our school community to donate stationary items which can be left at the Rowville Primary School office and these will be passed onto the students organising this event.
