From The Principal...

Dear Parents/Carers

Rotary District 9810 held their Annual Primary School Speaking Contest on Tuesday night. Ten Rotary Clubs in the District put forward their local winners (one putting forward two because they had twice the number of schools competing in their area) to compete at this level. The judges reported that it was a very close competition and that all eleven competitors put in an extraordinary effort. The competition was fierce and we congratulate Shaylin on representing our school so well.

While we are very proud of Shaylin’s achievement her success has also provided us with an authentic story of what separates ordinary and extra ordinary performance that can be applied to all learning.

Innate talent alone is not enough. Practice alone is not enough. Success is the outcome of existing talent in combination with deliberate and targeted practice. However it is not only practice for practice sake. It is important to have goals. Sometimes the standard is that of other competitors and sometimes it is against their own personal best. Students know what excellent performance looks like in their particular area. The same principles extend to all learning whether it is in or outside the school.

The end of the year is fast approaching and plans for 2017 are well underway. We are particularly excited about the enhancements that we are making to our student leadership program for 2017. Our year four and five students have been preparing their applications for pre selection for formal leadership roles. The senior school teachers are leading the process.

In 2017, students will be elected to Student Parliament and once elected they will be assigned portfolios and constituents who they will represent. There has been great excitement amongst students as they prepare and deliver their leadership application.

Our 2017 Foundation students have spent four sessions in their 2017 classes with their teachers and have had a positive introduction to Rowville Primary School. Our parent information sessions have been well attended and are building a sense of community amongst our new Foundation parents.

“Calling all Green Thumbs”

On Monday 5th December the following grades will be working in the Stephanie Alexander Kitchen Garden planting sunflowers and preparing for the summer months.

We are asking parents, carers, grandparents and friends to volunteer to help assist the students during this time.

Dear Parents/Carers,

School Council met last Wednesday 23rd November for our second last meeting for 2016. I can't believe how fast this year is flying by!

I would like to remind you that there will be a whole school Curriculum Day next Friday 9th December to enable curriculum planning for the 2017 school year. Students will not be required to attend on this day.

Parent Representative Jenny Reid, presented a review of AED (Automated External Defibrillators) and CPR in schools. We heard that more than 30,000 Australians suffer from sudden cardiac arrest every year of which only 5% survive. Immediate access to a Defibrillator can lead to a 70% survival rate if applied quickly. A cardiac arrest can happen in children due to drowning or choking, receiving an electric shock, respiratory related medical conditions such as asthma, anaphylaxis, trauma, poison or congenital abnormalities.

In 2015 sudden cardiac arrest was one of the leading causes of death in Australia. For every minute that passes, the chance of survival reduces by 10%. The average ambulance response time in metropolitan areas is 8-10 minutes. Based on this, school council felt there would be major benefits in the purchase of an Automated External Defibrillator in the event that there was a child or staff member who required this type of medical attention.

We are asking our school community to band together and at this year's school Christmas concert, donate to this very worthwhile cause so we can raise enough funds to purchase our own AED. We need to raise around $4,000 to purchase a high end unit that will assess the requirements of the patient and talk a first aider through the requirements to assist until the ambulance arrives. We are hoping to raise $10 for each student so we can go ahead and purchase this critical piece of equipment.

We also heard that a primary school aged child was able to call for help to save her mother's life as a result of school based first aid training. We are planning to implement first aid training for students next year.

There were no policies reviewed at this meeting. All policies can be found on our website at http://www.rowvilleps.vic.edu.au/index.php/news/policies

The whole school Christmas Concert will be held on the basketball courts on Monday 12th December at 6:30pm. Students need to arrive by 6:15pm and will be required to sit with their grades. There will be a free BBQ from 5:30pm and the canteen will be open to purchase snacks and drinks. Students may wear any Christmas colours they have for the occasion.

I am very happy to announce that Rowville Primary School will be installing 14 CCTV's over the Christmas holidays. Along with other areas of the school, each access gate will have a camera monitoring who comes into the school and who exits the school. I can speak from personal experience that CCTV's not only act as a deterrent, but also assist Police in gathering evidence to apprehend offenders.

Our final School Council meeting for 2016 will be on Wednesday 7th December.

Have a safe and happy week.

Vikki Fitzgerald
School Council President
Congratulations to the following students who were presented with an award at our Monday morning assembly. These awards were given to students who have made significant achievements in Mathematics: Problem Solving.

**Chickenpox, Measles, Mumps & Slapped Cheek**

We wish to advise families at Rowville Primary School, that a parent and two students in our school community are currently receiving medical treatment and as such have a suppressed immune system.

A major concern is if this parent or student develops Measles, Chickenpox or Slapped Cheek, they can become seriously ill.

We seek your cooperation in preventing this situation.

If your son/daughter has or may have measles, mumps, chickenpox or slapped cheek it is requested that you do not send them to school during this period and notify the school office immediately.

Children with Chickenpox must not attend school and need to remain at home for at least 4 days after the rash appears. Children with Measles must not attend school and need to remain home for at least 4 days after the rash appears.

**Attendance Matters**

Please make regular checks to ensure your child has all absences and late arrivals to school approved on Compass. This week, we have sent home letters to follow up on unexplained absences. You can either complete the form and return it to the school office or log into Compass and explain your child’s absence. This is a Department of Education requirement.

Parents are notified on the top right section of the Compass home page in the new feed if there are late arrivals or absences to be approved.

Absences can be entered in advance on Compass by Parents.

Week 9, Term 4

This week children will be creating 3D Christmas spirals, Q tip snowflakes, Christmas wreaths, and popsicle ornaments. Children will also continue to work on their Christmas booklets.

We have also started making a Christmas backdrop for our photo booth. Children are painting a large piece of material that will look like a fireplace.

NOTE from Brodie

Parents please note that Friday 9th December is a School curriculum day. We are running a pupil free day from 7am to 6pm. Please ensure you have your child booked in by 2nd December to ensure this day goes ahead.

We also have a slight change to the staff roster. Our Second assistant, Leilani is going away to America to spend Christmas with her family. Megan will be taking Leilani’s position as second assistant for the remainder of the year.

PARENTS PLEASE NOTE:

1. It is of high importance that you CANCEL your child if they are NOT attending either before or after school care. You can cancel your child through the parent portal, call the customer care number, or speak to staff in person at the service.
2. Please ensure that your child has a hat for ASC as we are now following our sun smart policy. All children are required to wear a hat if they would like to go outside.
3. If any parents have any ideas of what they would like to see happen in before and after school care, please drop in for a chat we are always looking for new ideas!
4. Does your child do any outer school activities? If so, we would love to have some brochures to put in our community folder to help recruit any other children that are looking for outer school activities!

We’re here to make after school care visits the best experience possible – for you and your child.

If you have any questions about the program – please feel free to drop by, meet the team and see what happens in after school care first hand.

We look forward to seeing you soon.

The Camp Australia Team.

No Hat No Play - 1st September to 30th April

Part of our Sun Smart Policy at Rowville Primary School is that students should wear the official school uniform, wide brimmed hat, when outdoors from 1st September to the 30th April. Students are also encouraged to apply sunscreen (SPF 30 + 20 mins prior to outdoor activity) provided by parents. Please place the students name on the sunscreen container.

Please encourage your children to have their hat at school each day. Hats are available from our uniform supplier Klad Sport, 8 Macro Court, Rowville.

School Savers Charity Group

A group of year 10 students from the MSA Academy at Rowville Secondary College, Western Campus, would like to promote a charity project, School Savers, which they are involved with. School Savers is a charity group run by the Rowville Lysterfield Interact Club. We aim to collect school supplies (such as notebooks, novels, pens, pencils etc.) and send them over to a school in a remote country area in South Africa.

We invite our school community to donate stationary items which can be left at the Rowville Primary School office and these will be passed onto the students organising this event.
